## Performance

- Best hold down clip performance in the market
- Perfect for use with composite, hardwood, cedar or redwood decking
- Concealed clip allows for unblemished deck surface

## Durability

- 30 year limited warranty against loose deck boards
- High strength powder coated steel for endurance and stainless steel for coastal applications
- Base of clip elevates deck board off the surface of joists, reducing undercarriage rot, ice shear and lateral load stress

## Ease

- Easiest clip to install with standard ACQ compatible screws or Ballistic NailScrews®
- Eliminator RCS™ pneumatic tool dramatically reduces installation time
- Two easy ways to install, hand drive screws or with the Eliminator RCS tool

## Versatility

- Fits virtually all grooved edge decking with 4 groove height profiles (396, 385, 345, TRX)
- Two convenient package sizes 50 sq. ft. boxes (+5 Start, 5 Finish) or 250 sq. ft. Deck Pack Plastic Pails.
- Start, finish and transition clips available separately in packages of 25pcs
