

# OUTDOOR LIVING IS YOUR PASSION. OURS, TOO.

## railing catalog

# Mix and Match

It's not just a deck, it's your personal play space. Your welcoming outdoor entertainment room. And your peaceful escape from the daily grind. Make it your own with stylish combinations of decking, railing, lighting and accessories that express your distinctly individual flair.

Classic or contemporary. Practical or playful. Understated or unexpected. The choice – and the statement – is all yours.

With hundreds of design possibilities, discover your favorite decking and railing combinations with our interactive Color Visualizer at [timbertech.com](http://timbertech.com).

# Customization

*RadianceRail: Combine your favorite colors to create a truly custom look to your railing system. Simply follow the five steps below to build your complete railing package.*

- 1 Choose Rail Pack (6' or 8' options) \*Includes hardware for mounting
- 2 Choose Baluster Pack (13 balusters for 6' or 18 balusters for 8')
- 3 Choose Post Cover
- 4 Choose Post Cap (one per post)
- 5 Choose Post Skirt (one per post)

# RadianceRail®

*Decking: Earthwood Evolutions® in Pacific Rosewood  
Railing: RadianceRail® in Traditional Walnut and Classic Black*

Visible elegance. Invisible hardware. RadianceRail is our most popular railing for a very good reason – its combination of smooth lines, classic colors and hidden hardware creates a refined, virtually carefree complement to any composite deck.

## ONE-OF-A-KIND DECKS

*DeckLites<sup>®</sup> LED can be added to extend the safety and usability of your deck.*

*RadianceRail Express post covers, caps, and skirts can be intermixed with the RadianceRail System to offer value priced components for a premium system.*

- Priced competitively with most vinyl systems
- Available in 6' or 8' sections in 36" or 42" rail heights
- Sturdy, solid feel that resembles painted wood
- Made with the same durable, low-maintenance materials as RadianceRail
- Installs at a 45-degree angle without overhang on the post cover
- 4"x4" post covers in 39" and 8' lengths, post caps and post skirts sold separately
- Customize your top rails, bottom rails, balusters, and post covers with easy mix and match options.
- 25-year limited warranty for residential applications

# Ornamental Rail

*Railing: Ornamental Rail in Cedar*

Classic form. Gracious presence. Our Ornamental Rail offers a timeless profile with the traditional look and feel of real wood – and none of the effort.

Cedar

Grey

Redwood

*DeckLites® LED can be added to extend the safety and usability of your deck. Customized curved railing and gates are also available.*

- Rail pack conveniently includes material for one straight or stair rail section (available in 6' or 8' sections)
- Baluster pack contains solid square balusters for one 6' or 8' section in 36" rail heights
- Post covers in 4' or 12' lengths, post caps and post skirts sold separately
- 25-year limited warranty for residential applications

# BuilderRail®

*Decking: TwinFinish® in Cedar  
Railing: BuilderRail® in Cedar*

Purposeful versatility – maximum view. Whether you want to see more of your deck's vista – or just keep an eye on the kids – BuilderRail's simple, strong, hammered balusters offer a crisp, clean, wide-eyed window on your world.

Cedar

Grey

Redwood

*Customized curved railing and gates are available.*

- Metal baluster kits and stair kits available in 6' or 8' sections in 36" or 42" rail heights
- BuilderBoard®, all solid deck planks, post covers in 4' or 12' lengths and post skirts sold separately
- Bulk Items: 6' or 8' BuilderBoard and hardware mounting kits
- The galvanized, powder-coated balusters are 40% stronger than aluminum and are backed by a 25-year limited warranty
- Other components covered by a 25-year limited warranty for residential applications

# Accessories

## CURVED RAIL

Add design distinction with the flexibility of our curved products.

- RadianceRail, RadianceRail Express, Ornamental Rail, BuilderBoard, and most TimberTech planks can be curved
- TimberTech curved products can be special ordered through your local dealer or contractor
- Backed by TimberTech's 25-year limited warranty for residential applications

## GATES

A matching gate is an attractive railing finish that also increases safety. Available in standard straight gate or custom curve gate.

- Gates can be used in applications spanning up to four feet and with 36-inch and 42-inch railing systems
- Reinforced structure where gate attaches for additional security
- TimberTech gates are available in a kit form or can be customized through your local dealer or contractor
- Backed by TimberTech's 25-year limited warranty for residential applications
- Available for RadianceRail, RadianceRail Express, Ornamental Rail, and BuilderRail in a variety of styles and sizes

## SECURE MOUNT POST™

Designed to allow TimberTech railing installations on decks or concrete surfaces – no treated 4x4 post required.

- Six-inch adjustable top block allows easy extension from 36" to 42" height
- Optional Deck Mounting and Leveling Kit includes surface and bottom plates, leveling bolts, mounting bolts, washers and nuts

## ADA Hand Rail

Designed to coordinate with TimberTech Railing systems, the ADA Hand Rail System meets the requirements of the Americans with Disabilities Act. Available in White and Black.

## ADA Component Parts
